SNOWBIRD MOUNTAIN SCHOOL - WEEKLY PROGRAMS REGISTRATION

Here is the link to register for Snowbird Mountain Schools Weekly programs:

https://pass.snowbird.com/s/mountain-school-groups/p/school-programs

You can complete this on a phone, but it would be easier on a PC or Mac.

At a high level there are 5 steps -

- 1. Select the program
- 2. Sign in or Create a Snowbird Account
- 3. Add participants to the programs
- 4. Add contact and level info
- 5. Completing any waivers

To start, click the link above. You'll land here:

Mountain School Groups > School Programs	
School Programs	Item Summary
Register your child for their school's multi-week program. To get started, select the age group your child, choose your child's school and add the program to the cart.	Start Date up for No date selected
<u>Learn More</u>	
Select Age	Add To Carl
Select Age	
Make Selection (Required)	
Ages 5-6 Ages 7 & Up Parent (Ages 16+)	

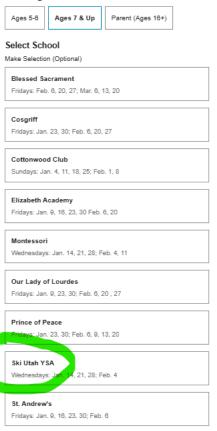

There is a "Learn More" link there giving more information on the registration process as well as our contact information.

Please note: Parent Program only applies to the Prince of Peace School

As the text suggests, first, select the age group. You will then get a list of the programs as follows:

Learn More

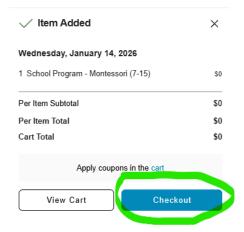

In this instance the "7 and Up" age group is selected, revealing the drop down of school names showing YSA near the bottom.

Select YSA and then click 'Add to Cart'.

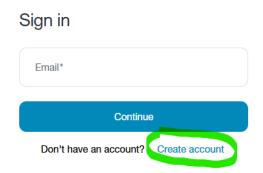

Please note: If you have more than 1 child in the program, repeat the above process to the 'Add to Cart' step being sure to select the correct age group for the 2nd child etc.

Montessori is used in this example.

Please note: There is no payment to Snowbird as that's handled with your school. You'll need to register with them if you haven't already done so.

When you are done, double check your selection/s and click 'Check Out' and you'll get to the 'Sign in/Create an account' screen.

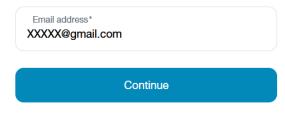

IMPROTANT NOTE: If, as a parent, you already have a Snowbird account (e.g. Season Pass Holder), or registered your child with a school program last season, please now sign in with the same email address on your account, entering your password etc.

If you are new to Snowbird please click 'Create an account' and fill in the information pages in your, the parent/guardian name, as follows.

Create an account

First, enter the email address for the account. This account will receive the confirmation and any correspondence from Snowbird.

Click 'Continue' and you'll be asked to enter a password.

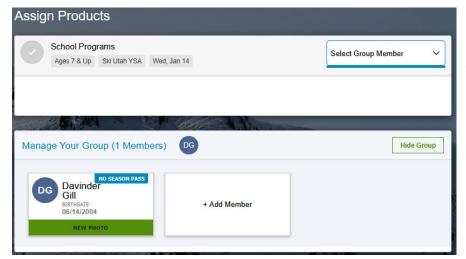

Then complete this screen:

Almost there! Finish setting up your account.

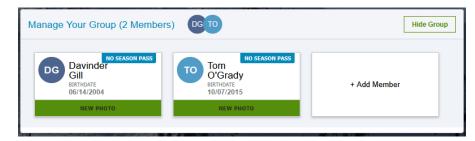

Account details First Name Last Name Zip Birthdate Month Day Year Continue

After signing in or creating a new account you will land on the "Assign Products" page.

Here, you'll add your child/children by hitting Show Group (changes to Hide group in the screen

grab) then clicking 'Add Member'. Or if you already have Snowbird accounts you can assign existing members of your group here too.

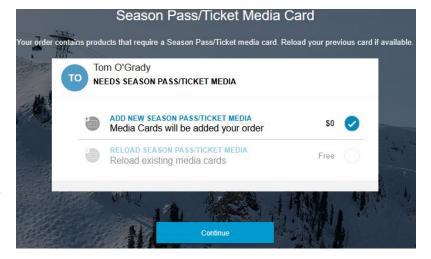

When your child is in your 'group' they will be selectable from the 'Select Group Member' drop down above and can be added to the program.

The program comes with lift access on the days of the program only. So...

 If your child is new to Snowbird leave "Add new season pass/ticket media" checked.

This is the easiest option for all to manage.

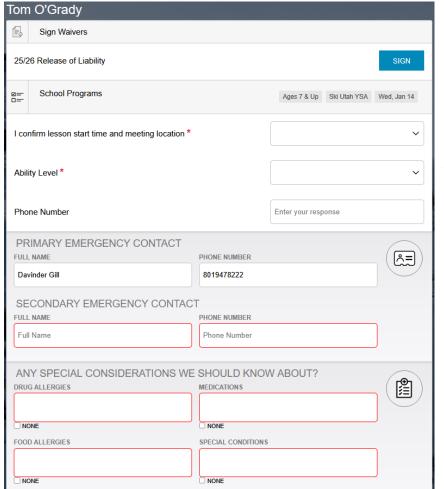

2. If your child is a season passholder already **and**

has a media card, you'll be able to select the 2nd option.

IMPORTANT NOTE: For this program you DO NOT need to add a photograph.

After clicking 'Continue' there is the Waiver page below.

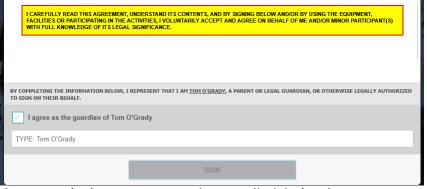

Please note: The drop down "Ability Level". This link takes you to our level chart:

LEVELS

Please complete all marked fields.

Complete the other details on this page first then click the blue 'Sign' button to go to the waiver itself.

If you have more than one child without waivers in the program you will need to sign them for both in their names.

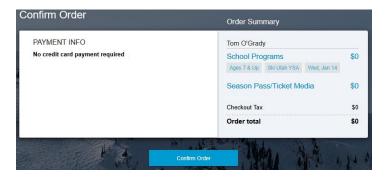

The box to sign the waiver is right at the bottom of the form so you need to scroll all the way down.

To sign the waiver, you type the name **exactly** as printed in the white box. In this instance you would type "Tom O'Grady", the name of

the person in the program exactly as spelled during the set-up steps above.

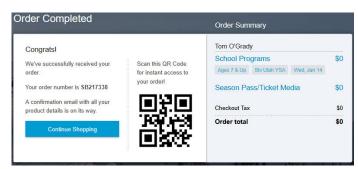

Then you can click the green check mark "I agree as the guardian..." and then the blue 'Sign' button will be activated.

Once you have completed the waiver (or there if there was already one on file) then click 'Confirm Order' below.

Make a note of your "SB" order number. You will also get email confirmation. Might be an idea to check your spam folder as well for the confirmation – just in case!

We will print out the passes for the program and liaise with the main program coordinator.
